It is anticipated that demand for Barbara Becker Simon's classes will be strong. Only 10-12 people will be successful in gaining a place, depending on which workshop is offered, the Guild would like to ensure that as many people as possible are given the opportunity to experience Barbara's workshops, therefore if you are not successful in gaining entry to all classes a Guild representative will be in contact. Guild members will have priority at all times.

I have paid a total of _____ for the above workshop(s) using Paypal

I have read the FAQ on the Guild website and understand that I will need to bring supplies to each class.
